RE: DRUG ARREST BY OFFICER L. GALLI & OFFICER B. THOMAS

Officer Galli stopped a car on a traffic violation at Lucile Avenue & Holderness Street, SW on 7-11-93. His thorough investigation revealed that the vehicle, a rental, was 29 days overdue and the driver was not authorized to operate the vehicle. The driver also presented Officer Galli another person's license and gave a false name. Officer Galli arrested the subject and searched the vehicle prior to impounding it. During the search, he located approximately 13 grams of suspected crack cocaine, 32 grams of suspected marijuana, a scale and several plastic zip-lock type envelopes commonly used for packaging drugs. With the assistance of Officer B. Thomas, a MAC-11 9mm semi-automatic pistol with a 30 round magazine was also located in the trunk. Both officers are to be commended for a job well done.
