Officer L. A. Galli
Atlanta Police Department
Zone 4
1125 Cascade Circle
Atlanta, GA 30311

Dear Officer Galli:

On February 24, 1994, Narcotics requested the assistance of Zone 4 officers in stopping a vehicle delivering drugs. You responded to the request and attempted to stop the vehicle, but the subject refused to stop, and a chase ensued. Subsequently, the subject abandoned the vehicle, and was apprehended.

As a result of your relentless efforts, Narcotics secured a warrant to search the subject's residence, and located one half kilo of cocaine inside the lining of the living sofa. In addition, forged documents and an assault rifle with a clip and 31 rounds was confiscated.

I commend you for your actions and hope you will continue to exhibit those qualities which reflect the type of police officer we need in law enforcement.

Keep up the good work!

Sincerely,

A handwritten signature in cursive script that reads "Major T. A. Knox".
